

Sky Valley Online Gift Guide

We can't host Winterfest this year, but that doesn't mean that you can't get local gifts! Supporting local businesses, artists and crafters is the very best way to give your family truly meaningful, beautiful, unique gifts and experiences. You might also consider one of the local charities who are doing work that you appreciate. A gift that makes a 'real' difference is a wonderful gift! Or you might consider a gift certificate for a custom home improvement, an exciting experience, or something yummy! 2020 has been a trial for everyone but we can end strong - let's create the very best Holiday Season possible!

From all of us at the Sky Valley Chamber,
We hope you have a prosperous, happy, healthy 2021.
