GOLD RUSH! MINERS CART RACES

- All Miners will be supplied a bucket for the Gold Dig and two claim flags.
- Avoid the boulders as you race to your dig site. The cart rider Miner needs to drop your claim flags (2) from the cart into the claim buckets on the way to the Dig at the "Sand Bar" and pull the claim on the way back to the "Supply Depot." –The two running Miners must dig for gold in the "Sand Bar"- no throwing the sand or rocks. Each team needs to locate six "gold nuggets" in the sand bank and put them in your bucket to return to the "Supply Depot" and race the miner's cart back to the Supply Depot- be sure to grab your claim flags on the way back –Gold Nuggets must be returned to the "supply depot."
- The first Miners Cart to reach the finish line at the Supply depot after completing the tasks with any part of the Miners Cart wins. The part must be intact with the main Miners Cart, and the judges will determine the winner.
